**Explanation of Responses:**

1. On October 6, 2026, PT Tunas Harapan Perkasa ("THP") entered into a Securities Purchase Agreement (as amended, the "Securities Purchase Agreement") with HighPeak Energy, Inc. (the "Issuer") pursuant to which THP acquired from the Issuer, 200,000 shares of Series A Convertible Preferred Stock, par value $0.0001 per share (the "Series A Preferred Stock"), on November 20, 2026. Each share of Series A Preferred Stock of the Issuer is convertible at any time at the holder's option into a number of shares of the Issuer's common stock, par value $0.0001 per share ("Common Stock"), equal to its liquidation preference divided by the conversion price. The initial conversion price is $9.50 per share of Common Stock, and the conversion price is subject to customary adjustments. See footnote 2.

2. The Series A Preferred Stock will be mandatorily convertible at the option of the Issuer after the third anniversary of the closing if the closing price of the Common Stock exceeds 150% of the conversion price for thirty out of forty consecutive market trading days, subject to the satisfaction of certain liquidity conditions set forth in the Certificate of Designation of the Series A Preferred Stock (the "Certificate of Designation"). The Series A Preferred Stock is perpetual and has no expiration date.

3. DEI directly holds the shares of Series A Preferred Stock reported herein. PT Danantara Investment Management ("DIM") is DEI's ultimate parent entity. Accordingly, DIM may be deemed to share voting and dispositive power over, and to beneficially own, the securities held directly by DEI.

4. DIM disclaims beneficial ownership of any securities of the Issuer reported herein except to the extent of its pecuniary interest therein, and this report shall not be deemed an admission that DIM is the beneficial owner of such securities for purposes of Section 16 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or for any other purpose.

5. Represents the number of shares of Common Stock issuable upon conversion of the 250,000 shares of Series A Preferred Stock held directly by DEI, based on the initial conversion price of $9.50 per share of Common Stock.

## Remarks:

Pursuant to the Certificate of Designation and the Securities Purchase Agreement, DEI has the right to designate a member of the Issuer's board of directors. Accordingly, solely for purposes of Section 16 of the Exchange Act, each of DEI and DIM may be deemed a "director by deputization" of the Issuer.
